Photodex Proshow Producer Gold 5.0 Full Version Crack Key - Universal Media Info.WASHINGTON - Daniel Rash, president of the Environmental Protection Agency (EPA) under President Donald Trump, sent a letter to agency employees this week calling for political changes at the agency. The 10-page missive, obtained by The Washington Free Beacon, calls for reducing the number of employees at the EPA and using political appointees to fill the positions. "The EPA is currently losing the respect of the American people, policy experts, and state and local officials for its failure to faithfully execute the law and its culture of unaccountable leadership," Rash wrote. "It is also losing the confidence of citizens and their elected representatives because of its partisan and unaccountable actions and inactions," he continued. "The agency's credibility and effectiveness will only improve by harnessing our nation's best and brightest to
